

You are invited to:

# TARANAKI TALKS TACTICS

Promoting physical activity and improving nutrition in the Taranaki region.

9.00am – 4.00pm, 14<sup>th</sup> April 2010

Quality Hotel Plymouth International

A free forum designed for those with a work focus or interest in building healthy communities. This includes but is not limited to public health practitioners, Māori and Pacific health providers, local government, education providers, regional sports trusts, non government and primary health organisations.

The objectives of this forum are to:

- Present innovative local projects which influence the determinants of community nutrition and physical activity.
- Showcase new research around the factors which enhance the wider determinants of public health nutrition and physical activity.
- Provide participants with an insight into how Health Impact Assessments may be used to improve the wellbeing of communities.
- Encourage dialogue among stakeholders whose work influences the determinants of nutrition and physical activity in the Taranaki region.

Registrations are now open.

A copy of the draft programme and registration form may be downloaded at [www.ana.org.nz/regionalforums2010.php](http://www.ana.org.nz/regionalforums2010.php)

This event is sponsored by the Ministry of Health and hosted by Agencies for Nutrition Action in partnership with Taranaki District Health Board. For further information visit contact [julia@ana.org.nz](mailto:julia@ana.org.nz)
